

CHILD SAFETY RESTRAINTS

SHIELD ™
Trusted. Everywhere.

SAFETY AND SATISFACTION GO HAND IN HAND.

Just like you, SHIELD cares deeply about the safety of your customers. That's why all of the more than 15 million restraints we make each year are rigorously engineered and tested for outstanding reliability.

SHIELD is proud to be at the forefront of innovation when it comes to child safety restraints. Our dedicated team — one of the most passionate and deeply experienced in the industry — has created a compelling range of products for markets worldwide, by making caregiver needs a top priority.

The Titan family of buckles, for example, delivers superior ease of use and clean, contemporary styling. Popular features include large, easy-to-press buttons and tongues that latch smoothly every time. What's more, our intuitive, push-on LATCH connector and European ISOFIX designs offer strength, styling and usability that are unmatched in the industry.

PUT OUR EXPERTISE TO WORK FOR YOU — AND YOUR CUSTOMERS.

Our global team of expert designers and engineers is ready to partner with you to develop a custom solution that exceeds your expectations for performance, value and service. Contact your regional SHIELD office or visit trustshield.com today.

TRUST. It's what we earn every day by combining practical innovation with exceptional performance and value. The world's top child seat manufacturers, vehicle manufacturers and aftermarket distributors all trust SHIELD to keep millions of children safe and sound.

SHIELD products enhance child protection with stylish designs that are easy to use.
